THINK. LEARN. GROW.

Update on District Regions for 2009-2010

The boundaries of the three regions of Des Moines Public Schools — Northeast, Northwest and South — will remain the same for the 2009-2010 school year. However, administrative reassignments within the Northeast region means three schools — Goodrell Middle School, Pleasant Hill Elementary School and Stowe Elementary School — will be supervised by administrators from either the Northwest or South region. Every region will still have two administrators assigned to oversee the schools in that region.
